Stone Alliance Adventures

is a Christian-based camp that focuses on the whole person, more than your average skill-based programs. This summer camp delivers value-based character formation in the midst of wild, crazy and fun activities that captures kids' imagination and interests. Our focus at YAA is on the person rather than their performance. Through well-planned programs, dynamic speakers, cabin times and individual time spent with counselors; campers are enriched, encouraged and introduced to Jesus Christ in a personal way.

Our summer camps are run by a trained staff of Christian leaders who love and care for kids. We guarantee a maximum staff-to-camper ratio of 1:6 in each cabin. Our state-licensed kitchen always gets high marks for quality meals and puts out more than just "camp food". You can be assured that time spent at YAA is a great investment and well worth the cost.

gth, seek his face continually."

Senior High: Camp Amp'd

New!

July 6th - 10th • 9th to 12th grade

This summer we are launching Camp Amp'd — we will take summer camp to a whole new level for high school students! This amped up, adrenaline pumping, high adventure, mini-camp is specifically designed for the energetic teen spirit.

Your favorite camp activities will be available and the opportunity to take an overnight backpacking or canoe trip, go white water rafting, negotiate our new challenge course and participate in a service project. Spiritual training and personal character building will continue to be the foundation for this camp. An additional fee may be required for certain activities.

The Quest: You are on an adventure with a purpose. You are determined to succeed. All of a sudden, trails converge and each one leads somewhere. But which one goes where? You must decide. On any given trail, it's easy to get distracted and even lost. But you must press on to the destination.

Join us this summer for loads of exciting adventures and activities as we learn together about what we need for our personal journey. In the midst of the fun we will learn about the God who actually ventures with us and seeks to have a relationship with us.

Day Camp

June 21st - 25th • 1st to 5th Grade

Drop-off 9am • Pick-up 4pm

\$100/week or \$25/day

Price includes lunch & T-shirt

Is this camp for the kids or is it for the parents? We say it's for both! Kids will get a full dose of camp life and be able to return home to your care each night. Days will be full of skits, field games, crafts, flying high on the zip line and lessons from the Bible. We expect that at the end of the day, kids will be wanting more, so we plan to provide it. On Thursday, day campers will have the option to spend one night in a cabin.

Premier Soccer Camp

June 14th - 18th • 4th to 9th Grade

Drop-off 9am • Pick-up 4pm

\$125/week or \$30/day • Price includes lunch, ball & T-shirt

Quality one-on-one instruction increases ball handling skills in dribbling, passing and shooting. Group drills develop camaraderie and team work as well as insight into the strategy of the game. Full-field play puts it all together and a love for the game is ultimately experienced. Our soccer camps are designed to develop an athlete's skill with a special emphasis on their character.

Family Camps

Our family camps provide a wonderful environment to seek refreshment and strength at your own pace. Solid teaching from the Bible occurs twice a day for adults and children in their own carefully planned sessions. Everyone is free to choose from a wide variety of activities or just take a nap or go for a hike.

4th of July • July 2-5 Our speaker is Jim Stumbo: Husband to Ronda for 36 years and father of four. Jim and Ronda enjoy the growth of their family with eight grandchildren and counting. Jim served as a pastor in churches of the Rocky Mountain District for the past 36 years and is currently in his 21st year as the pastor of Helena Alliance Church. Jim is passionate about the outdoors, enjoys fishing, hunting and hiking. He is most avid about experiencing God and becoming like Christ in everyday life.

Labor Day • September 3-6 Our speaker is Dr. Gary Benedict who, in October, will be celebrating 50 years of marriage with his wife, Betty! Some of their greatest joys come from their two children and three grandchildren. Gary serves as the 11th president of The Christian and Missionary Alliance, in the United States. Gary is known for his commitment to building relationships, and in his own words “I’m the kind of guy who brings people together. My job is to move people to their God-given purposes.” And Gary’s heart really starts pumping when he gets talking about how “God has given us a message and a mandate. Our central message is Jesus and Jesus only. The outflow of that is missions.”

Leadership Training Programs

Our Specialty!

Timothy Program

June 10th - July 31st

9th to 12th grade

With character formation at the forefront of YAA ministries, the Timothy Program provides a community-based, training

environment that focuses on the whole person. It is our goal at YAA to reach out to teens in a way that brings their faith alive and helps them take steps in their spiritual growth. Using all aspects of camp with daily Bible studies and powerful, mentoring relationships; these students are given a strong foundation to become reliable men and women ready to stand up for their faith.

Joshua Project

June 3rd - August 1st • College age and above

This summer ministry project will impact you to step out in faith and experience firsthand how God provides for those who put their faith in Him. We seek to bring on the best and brightest college students to be a part of our paid/volunteer summer staff. Our desire is to give young men and women ministry opportunities, resulting in spiritual growth and increased leadership abilities. After working at YAA,

college students are better equipped to take on roles as Christian leaders in their communities. For an application or more information, visit our website at yaacamp.org, or call YAA at 406-763-4727.
