YELLOWSTONE *Alliance* ADVENTURES

Wilderness
PROGRAMS

YAA Wilderness Program

Yellowstone Alliance Adventures exists to introduce people to Jesus Christ and develop them to reflect His character. Going to camp takes us out of our normal setting and going on a wilderness trip takes that experience even further. Being out in the wilderness allows us to see God's creation in fresh, new ways. Hiking and living with a small group of people allows us to learn things about the body of Christ. Challenging ourselves with new circumstances shows us our character and helps us to grow. All these things are at the heart of why we want you to come with YAA into the backcountry of the Gallatin National Forest.
