YAA delivers value-based, character formation in the midst of wild, crazy and fun activities that capture camper's imagination and interests. Through well-planned programs, dynamic speakers, cabin times and individual time spent with counselors, campers are enriched, encouraged and introduced to Jesus Christ in a personal way. Our state licensed kitchen provides high quality meals and is able to accommodate most medical diets.

## Family Camp Speakers

**July 3-6**

John Reese is a veteran Christian pastor having served in the trenches for many years. To use the words of J. I. Packard, he has *"lived, loved and labored for God not*

*success, but with constant faithfulness and zeal."* John has committed his whole life to serving the Body of Christ which has shown him more kindness and caused me more grief than he ever felt possible. John loves his wife and his four grown sons more than his own life, and is honored to have been connected with each one of them. John is constantly confronted with his own humanity and is overwhelmed with the message of the gospel, not only for how it has saved him, but also for how it keeps him saved.
